\_\_\_\_\_ **The Performer's Edge Dance Theatre** is a student performing company. We strive to promote enthusiasm in the performing arts and quality performing opportunities for our students.

\_\_\_\_\_ **Performances are optional.** Students are expected to attend all company rehearsals and maintain good attendance in their technique classes. Poor attendance will affect your child's training and could exclude them from company events.

\_\_\_\_\_ **Casting is a part of the experience.** Each child is different and will be assigned to different roles and different events. Please support and help us explain this aspect of "Show Business".

\_\_\_\_\_ **Please check the bulletin board and your e-mail.** We will provide information, updates and schedules often. Schedules are subject to change and additions.

\_\_\_\_\_ Rehearsals are closed to visitors and parents. Specific rehearsals may be designated for visitors to observe.

\_\_\_\_\_ **All events are optional.** Additional fees may be required for each performance. Company members may need to purchase both beige and black jazz shoes. This could also include: Production fees, costumes, travel, parking, extra shoes, make up and any other performing related expenses.
