

Performer's Edge Dance Theatre

Musical Theatre Company - Description and Agreement

(Please Initial)

_____ **The Performer's Edge Dance Theatre** is a student performing company. We strive to have a professional performing unit atmosphere while promoting dedication in the performing arts. Students must be enrolled in at least Ballet, Tap and Jazz.

_____ **Students start as apprentices** during the fall session and may be inducted in December to continue throughout the year. The Company rehearses year-round. You must attend the summer class session to be eligible for summer and fall performances.

_____ **Performances are optional.** Students are expected to attend all company rehearsals and maintain good attendance in their technique classes. Poor attendance will affect your student's training and exclude them from participation in company events.

_____ **The PEDT** is geared to resemble a professional performing company and artistic decisions should not be questioned. Your child may not be involved in every performing routine or event. It is very important that you explain this aspect of "Show Business" to your child.

_____ **Updated Information** is provided often. Please check the lobby bulletin board and the student's folder in the lobby. Schedules and events are subject to change.

_____ **Rehearsals are closed** to visitors and parents. Specific rehearsals may be designated for visitors to observe.

_____ **All events are optional** and additional fees may be required for each performance. Company members may need to purchase both beige and black jazz shoes. This could also include: Production fees, costumes, travel, parking, competition entry fees, extra shoes, make up and any other performing related expenses.
